

Animation Login Mijn Bevolkingsonderzoek – Desktop

Gabi is a 56-year-old woman with light skin and dark hair. She's wearing a green sweater and gold earrings. We see her dining room and kitchen. Gabi walks into the picture from the left and stands at her dining table to talk about this animation.

GABI: "In this video, we explain how to log in to the online client portal Mijn Bevolkingsonderzoek. You log in with your DigiD. We'll show you step by step how to do this with the DigiD app."

Gabi holds up her mobile phone. The DigiD app icon is visible on it.

GABI: "Don't have the DigiD app on your mobile phone yet? Visit our website for more information on how to download and activate the DigiD app."

Gabi is waving in the picture. Above her is the title of the video. The logo of Bevolkingsonderzoek Nederland is shown in the bottom right.

Caption: Mijn Bevolkingsonderzoek. Log in with DigiD on your computer.

Gabi is sitting at the table behind her laptop. Mijn Bevolkingsonderzoek login page is visible on her screen.

GABI: "On the login page, you'll see a blue button 'Log in with DigiD'. Click this button."

The DigiD login page is visible on the laptop screen.

GABI: "Now you can log in with your DigiD. Click the 'With the DigiD app' button."

Gabi is sitting at the table behind her laptop, holding up her mobile phone. The DigiD app icon is visible on it.

GABI: "To log in on your computer, open the DigiD app on your phone."

The laptop screen displays four fields for the pairing code. The mobile phone is also shown. The mobile phone screen displays five fields for the DigiD app's PIN.

GABI: "Enter the app's PIN. You created this PIN when you installed the app on your phone. Click the 'Need pairing code?' button."

A fictional four-digit code consisting of letters will appear on the screen.

GABI: "A four-letter pairing code will now appear on your phone's screen. Enter this pairing code on your computer. Then click 'Next' on both screens."

You will now see a QR code on your computer screen. This is a square with black blocks. It's a code your phone can read with its camera. Open the camera on your phone. Hold your phone up to the computer screen. Make sure the lens on the back of the phone is pointed at the QR code.

In the DigiD app on your phone, you will now see which website you want to log in to. Do you see 'Mijn Bevolkingsonderzoek'? Then click 'Log in'."

The laptop screen shows the homepage of the online client portal Mijn Bevolkingsonderzoek.

GABI: "You can now see that you have successfully logged in. You are logged in to Mijn Bevolkingsonderzoek on your computer. Are you finished in Mijn Bevolkingsonderzoek? Don't forget to log out. Click 'Log out' in the top right corner of the screen."

The laptop screen will show you how to log out. The homepage of the Bevolkingsonderzoek Nederland website will then appear. Gabi is sitting at the table behind her laptop.

GABI: "Would you like to hear the explanation again? Watch the animation again."
