

Animation Login Mijn Bevolkingsonderzoek – With SMS verification

Gabi is a 56-year-old woman with a light tan and dark hair. She's wearing a green sweater and gold earrings. She's a fictional participant in the breast cancer screening programme. We see her dining room and kitchen. Gabi walks into the picture from the left and stands at her dining table to talk about this animation.

GABI: "In this video, we explain how to log in to the client portal Mijn Bevolkingsonderzoek. You log in with your DigiD."

Gabi holds up her mobile phone. The DigiD app icon is visible on it.

GABI: "We'll show you step by step how to do this with a SMS verification." Gabi is waving on screen. Above her is the title of the video. Bottom right is the logo of the Bevolkingsonderzoek Nederland."

Caption: Mijn Bevolkingsonderzoek. Log in with DigiD using an SMS verification.

Gabi is sitting at the table behind her laptop. The Mijn Bevolkingsonderzoek login page is visible on her screen.

GABI: "On the login page, you'll see a blue button 'Log in with DigiD'. Click this button."

The DigiD login page appears on the screen.

GABI: "Now you can log in with your DigiD. Click the button: 'With SMS verification'. You will then receive a text message with a code on your mobile phone."

The username and password for logging in with DigiD are entered on the screen.

GABI: "Enter your DigiD username and password. Click the orange 'log in' button. Keep your mobile phone on hand."

Gabi is sitting at the table behind her laptop. Gabi holds up her mobile phone. You hear a notification sound that a new text message has been received. The text message appears on the mobile phone screen.

GABI: "You will receive a text message on your mobile phone. Open this text message. It contains your DigiD text code for logging in to Mijn Bevolkingsonderzoek. The six fields for entering the SMS verification code are visible on the laptop screen on the DigiD page. The SMS message containing the SMS verification code is displayed on the mobile phone screen."

GABI: "The SMS verification code consists of 6 digits. Enter this code in the 6 input fields. Then click the orange 'Next' button."

You will now see that you have successfully logged in. You are logged in to Mijn Bevolkingsonderzoek.”

The laptop screen shows the homepage of the online client portal Mijn Bevolkingsonderzoek.

GABI: "Are you finished in Mijn Bevolkingsonderzoek? Don't forget to log out. Click 'Log out' in the top right corner of the screen."

The laptop screen shows how to log out. Then the homepage of the Bevolkingsonderzoek Nederland website appears.

GABI: "Are you logged in with your mobile phone? Then click the three lines in the top right corner of the screen to expand the menu. Then select 'Log out'."

The mobile phone also appears on the screen. The screen shows how to log out. Then the homepage of the Bevolkingsonderzoek Nederland website appears.

Gabi is sitting at the table behind her laptop.

GABI: "Would you like to hear the explanation again? Watch the animation again."
